To whomsoever it may concern

ETHNO is pleased to certify that Kancharla Sunil Kumar Reddy has successfully completed his web development internship from May 01, 2023, to June 30, 2023. During his brief tenure, Sunil demonstrated exceptional performance and professionalism. He effectively communicated with his colleagues and showed a positive attitude towards his work. His contributions were truly valued and we extend our sincere appreciation for his hard work.

Sunil's work was characterized by a high degree of precision and attention to detail. He was able to use his knowledge in web development and programming languages such as HTML, CSS, and JS to help build web pages for the company. His ability to work independently and as part of a team was particularly noteworthy.

We are confident that Sunil will continue to excel in his future endeavors and wish him all the best.

Sincerely,

Harsha Sai Surendra Varma Vudimudi
